About the Event

"Worker's rights should be a central focus of Development."

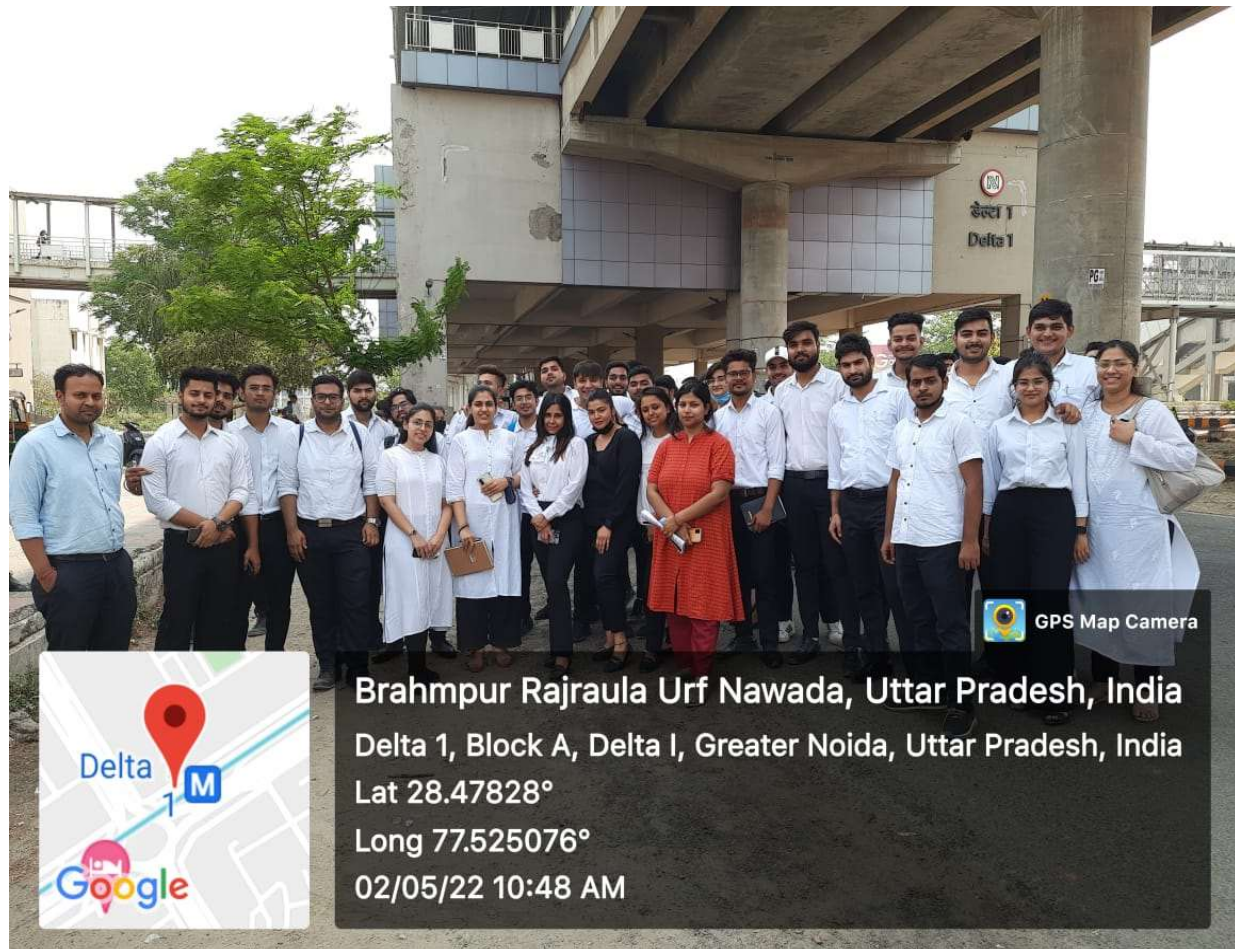

The students of 8th semester visited the Labour Chowk near Delta 1 metro station (Greater Noida), and conducted a survey among the workers there. With that, the students interacted with the workers and informed them about the various labour rights. The provisions related to minimum wages and payment of wages were explained to them along with the information of appropriate forum before whom the claims related to wages can be produced. Overall, the event was a successful one and we are expecting to organize more such events in the future.

Total number of students: Total = 90 participants - (F) – 48, (M) - 42
